

Rovion InPerson Platform

Finally, there is a rich media platform as engaging as you are. Rovion's InPerson videos are the next best thing to meeting each site visitor face-to-face. Don't let the mundane "video in a box" standard hold back your brand and personality. InPerson brings a human dimension to the online experience, while reaching a level of personal engagement never before experienced online.

Whether you are an automotive dealer, consultant, realtor, or other business or professional that requires connecting on a personal level and establishing trust quickly, Rovion's InPerson videos are unmatched on the web. On average, InPerson produces a **400 percent higher click-through rate** as compared to other online advertising methods.
